"It's not how you start that's important, but how you finish!"
-Jim George

As we approach the end of the semester we hope all is well and everyone remains focused and makes the most of the upcoming weeks.

We would like to take this last opportunity of the semester with excitement and appreciation to thank each and everyone who has attended our meetings and events; you have played a pivotal role in creating an atmosphere of collaboration, learning, and excellence within the SDA.

Fall Semester Highlights

Eagle Fest

The Student Dietetic Association participated in this semester's Golden Eagle Fest. During this event, we were able to experience the pleasure of interacting with future Cal State LA students and share our nutrition experiences and opportunities.

Well Being U Event

The Student Dietetic Association partnered with Well-Being U for an Eating for Wellness event. It featured healthy eating tips, cultural diversity in diets, and mindful eating. Attendees enjoyed food demos and samples. SDA board members appreciated this collaboration and engaging with the Cal State LA community.

Board Member Recruitment

The SDA is currently recruiting members for the Spring 2024 semester for the following positions:

- Treasurer
- Events Implementor

If you are interested in any of this positions please fill out the form below
